

Grooming

Whether you are an old hand or paw at grooming or a complete novice Give a dog a comb offers you and your dog a loving, kind and professional grooming service.

Give a dog a comb full groom consists of:

🕒 Consultation

Upon arrival we will discuss and record your dog's requirements. Dogs can have anything from a tidy up to a full make over and a suitable style will be discussed.

🕒 Pre Bath Groom

Before bathing your dog will be groomed thoroughly which will include removing any mats and knots. Extra grooming at this stage may incur additional costs.*

🕒 Bathing

Your dog will then be bathed with a shampoo to suit its coat and skin type and conditioner is applied where necessary. These shampoos will leave your dog clean and its coat feeling fantastic. Your dog is then dried with a suitable dryer to be prepared for grooming.

🕒 Clipping and Scissoring

Your dog will then be clipped or cut to the style as discussed in the consultation.

🕒 **Ear cleaning and nail cutting** is also included in the full groom if required.

🕒 Perfume To Finish

Leaving your dog smelling fantastic!

* For every extra fifteen minutes over the allocated time a badly matted coat takes to groom costs an additional £5. All knots and tangles are removed before bathing.
